

Corporate & Conferences 2026

We have an array of opportunities when it comes to Corporate and Conference facilities here at High Lodge, and all events here can be tailored to suit individual requirements.

Please see below our prices and most popular options to entertain your group whether it be for a professional event, team building, client corporate day or a meeting place away from your usual surrounds.

Set in beautiful countryside with ample parking, shelters for the outdoor activities to enhance a duller day, inhouse catering facilities & full Wi-Fi facilities it really would not feel like a work event.

Combined Corporate & Conference Events

One of the most popular options is to combine a meeting with an activity, engage staff whilst meeting the needs of your business or event with a social element all on one day.

Our conference options are detailed below but if you're looking for a combined event we will offer a slightly different rate on the use of the room for all groups over 20 people.
